## *The Champion Family*

My daughter has been cheering with Champion for three years now. She absolutely LOVES it! I love the atmosphere at Champion - we are truly a family. The older girls on her team are positive role models and the coaches are so encouraging. I know she's getting the absolute best experience!  
~Champion Parent

We absolutely love Champion Cheer. This gym works side by side with us to instill love, faith, and grit in our daughter. She is a better person because of the relationships she has built with the staff and coaches in this gym. They expect her and all athletes to "be the light" inside and outside of the gym, they encourage community service, and they love on ALL athletes. We have found a family. Champion is our home. ~Champion Parent

# Why Choose Champion?

**Champion Cheer's Mission** is to provide our students a safe and fun environment where they can develop their full potential as an athlete, while learning valuable lessons that will last a lifetime.

At Champion Cheer, we use the sport of cheerleading to mold our athletes into high character adults who will make a difference in our world. We give our athletes opportunities to develop leadership skills, teamwork, servitude and commitment. Our coaches are always on the lookout for positive leadership and high character in our athletes so that we can reward and encourage the tenants of our program... **Character, Commitment and Attitude!**

This will be our 4th year at Champion Cheer. I can not say enough positive about this establishment. CCA has not only been a wonderful place to watch my daughter grow in the sport of cheer, but also continue to learn positivity in life as well. The role models in this gym are incredible and set the bar high for years to come. We have not only gained these positive qualities in her life, but also gained friends and people who we consider family. We are so blessed to be a part of this gym and can't wait to continue to bloom where we are planted. ~Champion Parent

# What is All Star Prep?

All Star Prep is perfect for athletes who are ready to take it to the next level. Prep introduces a traditional, competitive environment. It is ideal for those who are looking for a competitive team with less time/cost commitments and less technical requirements than All Star Elite. Our Prep teams have one 2 hour team practice per week, perform at Gold Gala & compete at four local competitions that do not require overnight travel. Athletes need to have a forward roll, backward roll, cartwheel, and a round off. A back walkover or a back bend kick over is strongly preferred.

(Birth Years 2003-2015; Eleven Month Season June-April)

# What is All Star Novice?

All Star Novice welcomes athletes who are moving up from exhibition cheer or who are new to cheerleading. The program builds a love for All Star Cheer while focusing on skill building and growth in a low-pressure environment. All Star Novice allows time to strengthen technique and performance skills to ready athletes for All Star Prep or All Star Elite teams. Our All Star Novice teams have one 1.5 hour team practice per week and perform at Gold Gala and at four local competitions for judges' ratings only.

**No tumbling skills are required!**

(Birth Years 2003-2015; Eleven Month Season June-April;  
Half Year Season will register in the fall)

# Prep & Novice Team Attendance Policy

- We do not allow our All Star Prep/Novice athletes to participate in any other sports or activities that will consistently conflict with practices. Our All Star Prep/Novice Programs require less of a time commitment than other programs to help reduce conflicts of this nature.
- **Athletes must notify the coach of any absence by email with at least FIVE days notice.**
- Excused absences include graded school events, family emergencies or an illness as defined below.
- **If an absence is deemed unexcused, the athlete will have to do conditioning as makeup work.**
- Incurring absences might diminish an athlete's role in the routine through lost spots in formations and/or changed stunting roles. **Recurring absences may result in an athlete being removed from the CCA program altogether due to lack of commitment.**
- Missing a major Champion event, camp or competition for an unexcused reason will result in the removal of the athlete from the team.
- Beyond deaths in the family and COVID-19 related absences, during the one week prior to Gold Gala and all competitions, there are NO absences allowed. Missing a practice during these weeks may result in the immediate dismissal of the athlete from the team.
- Please make sure that your child is on time to practice! Athletes who are late will condition with the amount of conditioning based on the amount of time that they are late. We understand that being late happens to everyone now and then, but tardiness should never become a chronic thing. Please try to be to the gym 5-10 minutes prior to your practice time.

## Illnesses

**During the COVID-19 pandemic, it is important to take health and safety seriously. If an athlete has any of the following symptoms, they should contact their coaches and stay home. Any athlete who has close contact with a person who is confirmed to have COVID-19, should stay home from the gym during their 14 day quarantine.**

Cough	Shortness of Breath	Atypical Headache	Loss of Taste or Smell	Temp > 100.4 Degrees
Chills	Shaking with Chills	Muscle Pain	Sore Throat	Diarrhea

# Important Points to Review

- All candidates must show a \$0 balance on their Champion account from any previous commitments to be placed on a team for the 2021-2022 Season.
- All students' registration and insurance dues must remain current throughout the year. Our Prep and 11 Month Novice program runs from 6/2021-4/2022. You are agreeing to an eleven month financial commitment and will owe tuition for all eleven months.
- All athletes are required to take a tumbling class while on the team. The cost of the class is included in your Prep/Novice tuition.
- We do not allow our Prep and Novice athletes to participate in any other sports or activities that will cause ongoing conflicts with practices or competitions. Potential conflicts should be submitted in the detailed online form that will be sent to you after registering. Although we cannot fix all conflicts, we will do our best to minimize conflicts if possible.

- Justin Prep and Novice athletes will carry over their uniform from the '20-'21 Season and may have an opportunity to purchase used items at a reduced cost. The cost for new uniforms and bows will be approximately \$215 plus tax for the Prep uniform and bow and \$160 plus tax for the Novice uniform and bow. Uniform fees will be due at the time of the fittings in July.
- If an athlete is unable to finish their year due to injury or relocation, we will balance your account determining the fees and tuition that have been spent. You will receive a credit from Champion for any fees or tuition that have been paid but not used. However, please be aware that if you choose the eleven month payment plan, you may owe additional fees that were not yet covered through your prorated monthly fees.
- If an athlete quits without a doctor's written excuse, they will be responsible for paying any uncovered expenses and a \$100 re-choreography fee. All resignations must be received in writing.
